

Oo ♥ Ma ♥ Loo

Made by hand for the little ones you love...

Common Properties of OoMaLoo Toys

♥ **Handmade**

All OoMaLoo dog toys are hand-made and individually tested with care for maximum durability. We strive to create durable yet aesthetically pleasing toys that dogs love as much as their owners do.

♥ **Generates Income For Poor Women**

OoMaLoo dog toys are handmade by women in the poor neighborhoods of the Anatolian Plateau. Needlework is one of the few methods these women have of earning an income to help their families.

♥ **Promotes Dental Health**

OoMaLoo toys are not only perfect for play, they also help promote dental and mouth hygiene by acting like a soft tooth brush!

♥ **Contains Industrial-strength Squeaker**

Each dog toy also contains at least one industrial-strength squeaker, exclusively designed for OoMaLoo. Dogs love not just the furry texture of the toys, but also the responsive squeak that comes with each bite.

♥ **Made Of Non-toxic Materials**

OoMaLoo products are handmade made of non-toxic materials. We care about our furry friends' and their loyal owners' health.

♥ **Used Both Indoors And Outdoors**

The 'furry' portions, made of a strong, high-quality, non-shedding polyester yarn, can get wet but never become soggy. Perfect for every season.

♥ **Machine-washable**

Don't worry about a mess, since all of our hand-knit toys are machine-washable. Wash cold and air dry for long lasting toys.
